Dear Blanche,

As usual you did it again! We continue to put our confidence in your selection of entertainment for our affairs and you never let us down.

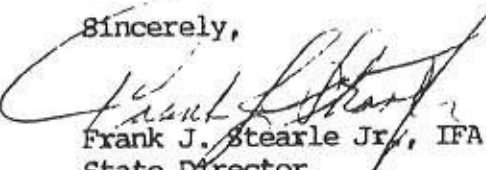

Dale Grand was even better the second time around.

Dale arrived early and was invited to dine with us. He went right in and sat down with everyone just like he was home. Dale is always congenial and the consummate gentleman. After dinner Dale changed into his tux and a comedian emerged.

Dale was funnier than ever, working with the audience, going through all the ethnic groups, without offending anyone and just plain telling good jokes, some even about himself.

Once again Blanche, thanks for a great time and give Dale a great big thanks from all of us.

Sincerely,

Frank J. Stearle Jr., IFA
