To whom it may concern,

I am writing on behalf of Dale Grand to affirm his quality as a comedian based on my personal experience working with him. Dale Grand is the personification of a captivating and talented performer. From my initial inquiry about his availability to perform in my comedy show until this day, Dale has been nothing but courteous, understanding, and professional. It has truly been a pleasure working with Dale.

In the short time that I have known and worked with him, he has shown me how great of a performer and how genuine of a person he is. Throughout our preliminary negotiations and discussions of his contract, Dale was very friendly, professional, organized, and inquisitive. He takes his craft seriously, and wanted to know everything about the show and its audience, to enable him to give his best performance.

On the day of the show, Dale got to the venue before I did. His punctuality, is just one great quality on Dale's list of impeccable characteristics. The demographic of our audience was very diverse. It included students, faculty, and guests between the ages of 18 and 60, from diverse racial and cultural backgrounds. Dale is versatile and can make anyone laugh. The feedback that I received from my peers and other members of the audience, was overwhelmingly positive.

Working with Dale has been quite a pleasant experience, and I would not hesitate to hire him again. I gladly and confidently recommend Dale Grand to any business, organization, university, or institution that is looking for a quality comedian. He is a great performer and an exceptional individual. Thank you for your time.
