It has been a pleasure to work with you during our Canadian Club Society Dinners in Las Vegas, New Orleans and Orlando during the past three weeks. Your performance was outstanding, and your attitude and cooperation in the entire undertaking were refreshing to all of us.

Roy W. Stevens,
PRESIDENT

**Congress of the United States,
House of Representatives**
Washington, D.C. 20515

I would like to take this opportunity to thank you for an outstanding performance at my Roast Luncheon. Your comedy routine was excellent and the audience thoroughly enjoyed it. You helped make the function a most memorable one.

Otis G. Pike,
N.Y. STATE CONGRESSMAN

WARING PRODUCTS DIVISION

I would like you to know how much all of us enjoyed your "put on" as Vice President of Operations for the Dallas Cowboys. Your delivery was outstanding and everyone except the people who employed you were quite fooled by your presentation.

R.C. Current,
PRESIDENT

**PAINE
WEBBER**

Just a short note to say thank you for a job well done. Your doubletalk routine helped us kick-off our meeting on a light note.

Barbara L. D'Aversa
ASSISTANT VICE PRESIDENT

Yes, Dale Grand was great. The research paid off, and the desired effect was obtained so much so that people did not believe Congressman Bonner was really a Congressman.

Larry Austin,
CHAIRMAN

IDEAL TOY

This is to thank you for the terrific performance you displayed to our Sales Force. The English character you acted out was perfect as the Ideal Vice President from England. Both the executive staff and the salesmen were fooled and shocked.

Duane D'Agostino
NATIONAL SALES MANAGER

THYPIN STEEL CO.

Your performance last night was "GRAND". Customers were completely duped by your mix of reality and myth. They started off enthralled, started scratching their heads and wound up holding their bellies.

Stuart Olitchick
VICE PRESIDENT

Gillette

It is always difficult to present imaginative programs and forms of entertainment for these events. Your act at this year's dinner will be a challenge to top.
